EAGLETS.

Carl Appel, the owner of the justly famous North Side Turner Hall, and restaurant, is a wide awake citizen, of whom Chicago is proud.

James M. Whalen is making a splendid record as county civil service commissioner. He deserves well at the hands of the people, as he has always been faithful to every public trust imposed on him.

Paul H. Wiedel, the able and courteous chief clerk of the board of assessors, is one of the most capable and highly respected public officials in Cook county. He is a live wire in the cause of good public service.

SWEITZER CALENDAR

Here is a taxpayers' calendar for taxpayers compiled by County Clerk Robert M. Sweitzer.

In brief it is as follows:

May 1—Interest at 1 per cent added to delinquent taxes.

July term—Application for judgment and order of sale of property of delinquent taxpayers.

July 1—Objections to judgments in writing received.

Aug. 1—Tax sale of real estate begins.

Penalty for redemption tax sales may be as high as 6 per cent, added to taxes or assessments each six months after sale. Property may be redeemed any time within two years after sale at office of county clerk.

Adam Wolf, the popular county assessor, is an ideal public official.

H. H. Merrick is one of the leaders in the civic life of Chicago. As president of the Association of Commerce he has done great work for the city, its present and future. Mr. Merrick is president of the Great Lakes Trust Company, Chicago's new big bank, which started in with a capital of \$3,000,000, and a surplus of \$600,000. All of the stock was oversubscribed for.

John W. Eckhart, the merchant miller, is not only a leader in the commercial life of Chicago, but he is a leader in its political life as well. Members of the Ironworks Club are never tired of telling of how much Mr. Eckhart has done towards the building up of that organization and his work for the success of the Democratic party in National and local elections has been effective and great and has contributed much towards bringing victory to the Democratic standards.

Jacob Levy, the well known Twenty-first ward Democratic leader, would make a good county commissioner.

Walter E. Allen, vice-president and general manager of the Universal Electric Washer Company, is one of the most respected business men in Chicago. He is progressive, active and popular and is one of the young Chicagoans who is making the city greater.

Coroner Peter M. Hoffman is always alert in looking after the interests of the people.

C. B. Willey, president of the big C. L. Willey Company, is one of the solid men of Chicago. He is patriotic, progressive and public spirited.

ABOLISH THIS JOB

The Department of Public Service is an Unnecessary Hardship on the Taxpayers.

The city department of public service should be abolished.

It is an unnecessary nest of sinecures.

The biggest sin in it is the job of commissioner.

A visit to his office may disclose this fact.

This department cost the weary taxpayers of Chicago, \$76,910 last year.

It pretends to receive, investigate and adjust complaints regarding service, rates, products and other matters relating to the health, comfort, convenience or safety of the public as affected by public utilities.

Everybody knows what a joke this department is and how little it does.

William G. Keith, commissioner of the Bureau of Gas and Electricity, is a popular and painstaking public official and the good record he is making is pleasing the citizens of Chicago. He is a practical electrician and the people are all with him in his successful efforts to improve the efficiency of the important department he is at the head of.

The Chicago Association of Commerce is doing great work for Chicago.

Judge Frank Johnston, Jr., is making a fine record on the Circuit Court bench.

Frank A. Johnson, general sales manager of the Grennan Cake Corporation, is one of the most popular and wideawake young men in Chicago. He is very popular in political circles and many predict a big public career for him.

Chicago people are doing pretty well in the way of boosting the town at home. Patronize home industries. That is "boost" enough.

Joseph F. Haas is making a splendid record as recorder of deeds. His office is conducted along lines that give great satisfaction to the public.

George L. Schein is one of the ablest and most highly respected members of the Chicago bar. His many friends would like to see him on the bench.

HARRY H. MERRICK.
President of the Great Lakes Trust & Savings Bank.
